The Honorable Benjamin S. Carson, Sr., M.D.
Secretary
U.S. Department of Housing and Urban Development

Dear Dr. Carson:

Thank you and your staff for the assistance given to the Northern Mariana Islands, my district, to help them prepare to administer the Community Development Block Grant – Disaster Recovery Program in our community. The \$243,946,000 grant award announced today will go a long way towards rebuilding our islands.

Because of the significant amount of the grant, I urge you to continue providing robust technical assistance to the Northern Marianas. Doing so will also help ensure the program is properly implemented and recovery funds spent promptly.

Sincerely,

GREGORIO KILILI CAMACHO SABLAN
Member of Congress
